A little Indian Hills History:

The present town site was platted on December 20, 1939, after the state decided to build the Pensacola Dam on the Grand River. The old town of Bernice originated in 1912 when Rose Mode and his partner, Charles Lee, bought sixty acres of land & platted the town in the Horse Creek Basin along the Missouri, Oklahoma & Gulf Railway (later the Kansas, Oklahoma & Gulf Railway). The town name honored Mode's daughter. Bernice acquired a post office on February 12, 1913. Approximately 400 people lived in the original town, which by 1918 boasted a bank, milliner, grain elevator, sawmill, hotel, flour mill, three general stores, & other businesses. The 1920 population stood at 198, declining to 162 by 1930.

In 1940 the Grand River Dam Authority completed the Pensacola Dam. By the summer of 1940 buildings and homes that could be salvaged were removed from old Bernice, & landowners surrendered their property to the waters of the Grand Lake of The Cherokees.

In 2000 Bernice, known as "the Crappie Fishing Capital of the World," was a recreation & retirement community with a population of 504 citizens. The oldest recreational business, Indian Hills Resort, was established in 1940.
